## 18° Knight of the Rose Croix

The lessons of the 18° are to practice virtue; to labor to eliminate vice; to purify humanity; to be tolerant of the faith and creed of others.

This Degree teaches that life and its strengths come from God. The rose signifies the dawn and the cross is a sacred symbol of antiquity in many cultures. To be tolerant of others errors and faults. The apron is of white leather or satin, bordered in red, with a skull and crossbones, a red passion cross, and three red rosettes. The grand jewel is a gold compass open on a quarter circle. A rose-cross is between the legs of the compass, and under it is a pelican, tearing its breast to feed its seven young. On the circle are the letters I.N.R.I.

## “Spes Mea in Deo Est”

*There is a place where all are equal and we are  
Hastened to it fast. We shall meet upon the level,  
when the gates of death have passed. We shall  
stand before the Orient and our Master will be  
there, to try the blocks we offer with his unerring  
square. We shall meet upon the level there and  
never thence depart. There is a mansion that is  
ready for each true and trusting heart. There is a  
mansion and a welcome and the multitude is  
there, who have met upon the level and been tried  
upon the square.*
