15° Knight of the East

The lesson of the 15° is to rebuild the Masonic Temple of liberty, equality and fraternity in the souls of men.

In this degree “we learn fidelity to obligations and perseverance of purpose under difficulties and discouragement.”

16° Prince of Jerusalem

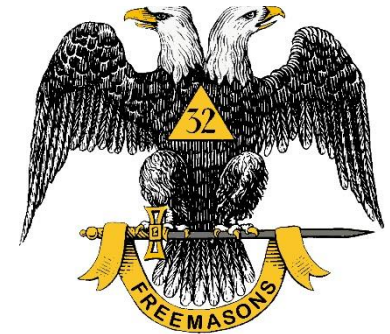

The lessons of the 16° are to aid those who labor to build the Symbolic Temple; to judge equitably and fairly; to keep faith in the justice and beneficence of God and to press forward with hope for the persecuted and oppressed. Honesty and trustworthiness is the cornerstone of the foundation of Masonic honor. This virtue should be in all of our undertakings.
